BOOK FOUR – PLAYERS AND OFFICIALS REGULATIONS

PART 1 - PURPOSE OF PLAYERS AND OFFICIALS REGULATION

- 1.1 The purpose of this Players and Officials Regulation is to bring together under one regulation the various rules and regulations of BBNZ relating to the eligibility and other requirements of, or related to, players, coaches, officials and referees which are required by, or consistent with, FIBA Statutes and FIBA Internal Regulations.

PART 2 - ELIGIBILITY

2.1 General Principles

- a. Each Affiliated Association or School which enters a team or teams in a BBNZ Competition is responsible for ensuring its players are eligible at all times and will bear the consequences of any breach of these Regulations.
- b. To be eligible to enter and participate in a BBNZ Competition (other than BBNZ School, Wheelchair and Tertiary Competitions, the WBC or the NBL), a player must:
 - i. be a member of BBNZ, by virtue of being a current financial member of an Affiliated Association; and,
 - ii. be a New Zealand citizen, except that a player whose nationality is not New Zealand (a foreign player), may participate in BBNZ Competitions provided that the player has been a resident in New Zealand 90 days before the commencement of the relevant competition.
 - iii. be living in New Zealand, except that where a player who is a New Zealand citizen and is otherwise eligible in all respects has recently returned from overseas, the player must have been in New Zealand for a minimum of 28 days before the commencement of the relevant competition. Such players are only eligible to play for the Affiliated Association they were registered with prior to departing overseas.
 - iv. exemption to the 28 day rule: Any player who meets the criteria for being a 'full time' student at an overseas tertiary institution will be exempt from the 28 day rule and is only eligible to play for the Affiliated Association they were registered with prior to departing overseas.
- c. A player wishing to play in a BBNZ School Competition must satisfy the eligibility requirements of the NZSSSC rules and regulations.
- d. A player wishing to play in the WBC or the NBL must satisfy the eligibility requirements decided by the League and as set out in the Competition Regulation (Book 3),
- e. A player who is selected to represent an Affiliated Association is a Representative Player. Representative Players must be eligible (under Regulation 2.1(a)) and may only represent the Affiliated Association in the Area of the player's usual residence, in accordance with this Regulation.
- f. If a player is a bona fide, full time student at a school or tertiary institution situated outside of the Area of the Affiliated Association, the player may choose to represent one of either:
 - i. the Affiliated Association in the Area in which the School or tertiary institution is situated; or
 - ii. the Affiliated Association in the Area of his/her usual residence.
 - iii. For the purposes of this clause, as a guide, a player is a "full time" student at a tertiary education, if he/she is enrolled and is physically attending classes at least four days per week outside the Zone of his/her usual residence . If in doubt, Affiliated Associations should seek BBNZ advice.
- g. Eligibility to be a Representative Player is determined as at 90 days before the commencement of the relevant BBNZ competition in which he/she is playing.
- h. It is expected and within the spirit of the game, that players make themselves available for selection for competitions of their club, their Affiliated Association, and their national team.

- i. As per Regulation 2.6(b) of this Part, Affiliated Associations within a Zone may, prior to the commencement of the first game in the qualification process, enter into a cooperative arrangement whereby they agree to enter a combined team or teams in a BBNZ Competition from two or more Affiliated Associations. In this situation the player's usual residence can be in any of the Areas of those Affiliated Associations in the same Zone. For avoidance of doubt, this situation only applies for the combined team for that BBNZ Competition and does not apply for any subsequent BBNZ Competition where the player is a Representative Player for an Affiliated Association team that enters a BBNZ Competition alone.
 - i. Where Affiliated Associations within a Zone have not agreed then BBNZ may determine the matter.
- j. Where a Player is eligible to represent more than one Affiliated Association, they may choose which Affiliated Association they wish to play for (Association "A") but may not transfer to the other Association that they are also eligible to play for (Association "B") for a period of at least two years from the date of registration with Association A.
- k. Transition Clause: Any player who, at 1 January 2015, was registered with an Affiliated Association outside their usual residence or where they attend school or a tertiary institution may continue to play for that Affiliated Association until the player transfers to any other Affiliated Association.

2.2 Age Eligibility

- a. Subject to Regulation 2.2(a)(vi) the following age restrictions apply to BBNZ Competitions (unless stated otherwise as specified in Regulation 2.2(b) of this Regulation):
 - i. For Under 13 competitions, players must be aged either 10, 11 or 12 years as at 31 December in the year in which the competition is held;
 - ii. For Under 15 competitions, players must be aged either 12, 13 or 14 years as at 31 December in the year in which the competition is held;
 - iii. For Under 17 competitions, players must be aged either 14, 15 or 16 years as at 31 December in the year in which the competition is held.
 - iv. For Under -19 competitions, players must be aged at least 15 years on the first day that the competition commences, and must not be 19 years or older as at 31 December in the year the competition is held. BBNZ, on application by an Affiliated Association, and in its sole discretion, may allow any player selected for a New Zealand national team who is under 15 years of age, to play in an Under 19 competition.
 - v. For Under 23 competitions, players must be aged at least 15 years on the first day that the competition commences and must not be 23 years or older as at 31 December in the year the competition is held.
 - vi. For National Basketball Championships, Women's Basketball Championship and National Basketball League, all players must be aged 15 years on the first day that the competition commences.
- b. BBNZ will consider applications from Affiliated Associations where a player is a member of a New Zealand national team in that calendar year, to play in a tournament above their usual age group. Only these players may be exempt from regulation 2.2a.
- c. BBNZ may modify the eligibility and age criteria for BBNZ Competitions from time to time, however in the absence of any express variation as stated in the competition rules, this regulation shall apply.

2.3 Association Representative Player Transfer

- a. Where a player is seeking to play for an Affiliated Association in a BBNZ Competition other than the Association they have previously played for (Transferring Association), the Affiliated Association seeking to have that player in its representative team (Receiving Association) must:
 - i. ensure the player is eligible to play under these Regulations;
 - ii. complete, and send to BBNZ, a transfer form that complies with Regulation 2.3(b) below.
 - iii. have the written approval of the Transferring Association, which must be sent to BBNZ within the time set by BBNZ for team rosters to be confirmed.

The Transferring Association cannot withhold such approval unless any of the grounds specified in Regulation 2.3(d) of this Regulation apply.

- b. Affiliated Associations are to manage all applications from players seeking to transfer Associations and can choose to use the Affiliated Association Representative Player Transfer form provided by BBNZ or generate their own form, which must comply with this Regulation.
- c. The deadline(s) for player application forms is the date/s set by agreement between the Affiliated Associations in each Zone.
- d. Where a transfer cannot be agreed between Affiliated Associations, the player seeking to transfer may forward his/her application to BBNZ that will, in its sole and absolute discretion, determine the outcome of the application. BBNZ must seek the views of both Affiliated Associations and the player on the transfer application, before making any decision. There is no further right of appeal from this decision. BBNZ may deny an application on any ground including (but not limited to) where BBNZ determines that the player:
 - i. has debts owing to BBNZ or to the Transferring Association or
 - ii. has property of the Transferring Association or BBNZ that has not been returned or
 - iii. is involved in any disciplinary or judicial matters that are pending.

2.4 **Loan Players**

- a. An Affiliated Association may have up to a maximum of three loan players from another Affiliated Association for the purposes of competing at a National Championship, or the Under 13 Regional Championship, provided that:
 - i. the loan players are from Affiliated Associations that are within the same Zone; and,
 - ii. the player seeking to be loaned, either:
 - actively sought to gain a place in the team of their Affiliated Association but failed to be selected or
 - their Affiliated Association is not entering a team in that competition.
- b. A loan player must have the written approval of the Affiliated Association to which they are registered and the Affiliated Association seeking to play them as a loan player for each BBNZ Competition. Confirmation of such written approval, must be provided to BBNZ when team rosters are confirmed.
- c. Affiliated Associations are to manage all applications from players seeking to be a loan player and must use the form provided by BBNZ.
- d. The deadline(s) for loan player application forms is the date/s set by agreement between the Affiliated Associations in each Zone.
- e. Where a loan is not agreed between Associations, an appeal may be made by the player to the Chief Executive of BBNZ who will, in their sole and absolute discretion, determine the outcome of the appeal.

The Chief Executive of BBNZ may, on application, approve a loan where the home Association has denied a loan request but is not entering a team and there is, in the Chief Executive's sole opinion, no reasonable reason to deny the player the opportunity.
