

Delivering insurance solutions directly to Basketball NZ members and affiliates

At Aon, we've recently announced a three year partnership with Basketball New Zealand (BBNZ), that sees us sponsor the Aon U15, U17 and U19 National Championships, as well as Basketball New Zealand's Aon National Training Programme and Aon Age Grade National Men's and Women's teams.

Through our partnership with BBNZ, we're able to provide you direct access to professional insurance advice and services to help you work your way through the increased complexities of managing different insurance requirements. Our dedicated insurance brokers have the experience and knowledge to help you with the right advice and support, when you need it.
